magical blends

100% natural

Net wt. 9oz (255g)

The delectable aroma of grapefruit has a pronounced impact on the senses and emotions. In aromatherapy applications, grapefruit is refreshing, cheering, euphoria-inducing and slightly energizing. Grapefruit's sweet and familiar aroma can evoke warm feelings that melt sour dispositions. Grapefruit is a "releasing" oil, so personalities that tend to harbor resentment or keep emotions bottled up can benefit from inhaling its scent.

Directions: Gently cleanse body in shower or add desired amount to bath water or foot soak. Soothe skin, revitalize & enjoy.

Our magical blend of ingredients: 250 million year old pink himalayan salt, dead sea salt, epsom salt, almond oil, grapeseed oil, grapefruit essential oil & dried flowers.
